

Conmar Newsletter

Here is the first newsletter for Conmar Live 2025!

Welcome, adventurers! You are hereby invited to partake in a weekend of fun and games with your fellow adventuring souls!

Time: Friday 2nd to Sunday 4th of May 2025

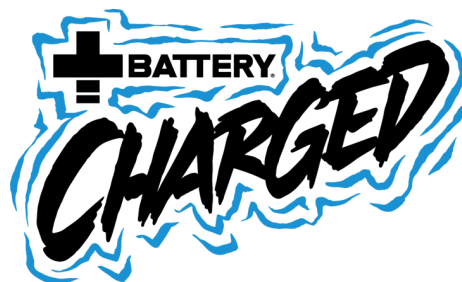

Place: Eldorado Hub, Oslo <https://maps.app.goo.gl/aaZQ679bNbQRnZfK9>

Fee: NOK 200/100 (age 25 and under)

What: D&D games organised under the Adventurer League rules, a multi-table epic, good times with good people! We will offer games in Norwegian and English.

For more information on Adventurers League: <https://adventurersleague.notion.site/>

What is new? For people who have participated at Conmar before, this year will be somewhat different. The first difference is that the event is being held at a commercial venue (thank you to Battery and Eldorado Hub!).

Food: Unfortunately we will not be allowed to bring external food and drink into the venue. Water will be available for free, and there is a kiosk offering drinks, snacks and a small selection of food. We are still working out food options, but the venue is on a pedestrian street with several eating places and a grocery store nearby.

[Eldorado]

Accommodation: There will also be no accommodation at the venue, but there are many options close by. Check out the article about accommodation on <https://conmar.live/> for recommendations and suggestions. NB! May 1st is a public holiday in Norway and the weekend may be busy, so it is recommended to book early.

We need you! Of course, to provide games, we need DMs! We aim to offer a mix of games of 2, 4, and 6 hours, at various tiers. If you would like to contribute by running a game (or two?) during the weekend, please sign up here:
