## We Need More DMs

We are working on the program, but we need more DMs to run games! Conmar can provide adventures if needed. Sign up here to contribute: <https://forms.gle/kHKuNx26g3aMGFxo8>  
If you have signed up to DM, please also register on Warhorn so that we can assign you to games in the schedule.

## Updated Information

All information is always available on <https://conmar.live/> Here you can find all practical information about the event as well as advice for accommodation.

**NB!** May 1st is a public holiday in Norway, meaning most shops are closed. There will be a few open groceries in the city centre, and most eating places are open. Public transport may be reduced. There are also likely to be parades and demos for worker's right around the parliament building.
